- A minimum deposit \$360 is required 14 days before your event. If your deposit has not been paid within 10 days prior you will be contacted and advised that your event is cancelled (or pay immediately to confirm)
- We ask for an estimate of numbers at the time of your booking and a confirmation of final numbers 1 day prior so that we can secure the correct number of seats in the cinema and plan our catering requirements. Once that number is advised you cannot change it and it will be the number you pay for.

- Please have all of the following information available when you make your booking.
 - Date of event.
 - Preferred film start time.
 - Your chosen in-season film.
 - Proposed number attending (an estimate is all that is required in the early stages).
 - Your full name, email address and phone contact details.
 - The name and age of the child who is having the party.
 - Whether you prefer fruit juice pop tops or lemonade to be served with the mini combos.
 - If lemonade is okay to be served on the table or whether you would prefer a different soft drink or water.
 - If any of the children are vegetarian (we are able to offer spinach/ricotta rolls).
 - If any of the children have allergies (we are able to offer gluten free sausage roll and lolly bag).

If the allergies are severe, parents are permitted to supply appropriate food items. We can supply a list of ingredients used by our suppliers.

Our functions coordinator will prepare an event order confirming all of your details that you must ratify with a deposit payment at least 2 weeks before your event.

What is not possible for a kid's party booking

- Book a film not in season.
- Have speeches or presentations within the cinema prior.
- Have extra time in the cinema (if your group is bigger than 50 consider making a private cinema booking).
- Book for 12 people and turn up with 24 without pre-advicing us!
- Book for 24 and turn up with 12 without pre-advicing us!
- Be late - all of our films run to an automated schedule.
- Bring your own food (other than the birthday cake) for Food Safety Regulatory reasons.

Helpful hints for organising an event

We recommend you start your enquiries at least 6 weeks in advance allowing 2 weeks to finalise the event details and one month for you to distribute the invitations and administer the RSVPs. If you are booking within the first two weeks of the movie's release date we recommend you contact us earlier to make the booking as we only permit one party booking per session and the time slots fill quickly! Unless the film is a mainstream blockbuster with a worldwide release date we find our local distributors can be very fickle when it comes to finalising a film start date...it can move! There is nothing we can do about it and we apologise in advance if this happens to your selected film.

What to do on the night of the event

- If you are the organiser, please make yourself known to our Duty Manager who will have all of the details of your event in hand.
- The Duty Manager will introduce you to your party host.
- We will do our best to accommodate your last-minute needs but remember we staffed the event in accordance with your confirmed event order and extras will only be possible dependent on staff availability.
- Rely on the fact that your party host will start directing you to the cinema at the appropriate time.

Please note that final payment is required at the time of your event.
