Helpful Hints For Organising an Event

We recommend you start your enquiries at least 6 weeks in advance allowing 2 weeks to finalise the event details after which time you can commence promoting the event to your group (a minimum of 4 weeks is recommended for this – more if possible).

We have many regular groups who have scheduled us into their monthly routine. We can discuss your next film at the end of your current event.

What to Do on the Day of The Event

- If you are the organiser, please make yourself known to our Duty Manager who will have all of the details of your event in hand.
- A staff member is assigned to host your event in the dining area.
- We will do our best to accommodate your last-minute needs but remember we staffed the event in accordance with your instructions and extras will only be possible dependent on staff availability.
- Rely on the fact that our Front of House staff will start directing you to the cinema at the appropriate time.

Please note that final payment is required at the time of your event.

You must make prior arrangements with our functions coordinator if you wish your event to be invoiced.

Invoice terms are strictly 7 days.
